Everyone auditioning for Honk! Jr. must prepare one of the above Audition Songs for auditions on September 5th. Those auditioning will be expected to sing with the instrumental version of their selected Audition Song at auditions.

4th graders and above auditioning for a speaking part must prepare a monologue IN ADDITION to their audition song. Monologues should be memorized. I encourage all 4th graders and up to prepare a monologue for auditions, because it is a good experience to practice speaking in front of people, and we strive to make auditions a positive, encouraging environment.
